

**OAKVILLE'S EXCLUSIVE APPLEBY COLLEGE CONTRACTS ADVANCED TO INSTALL SMART ELECTRONIC CLASSROOMS TO PROMOTE COLLABORATIVE LEARNING AND IMPROVE ACADEMIC OUTCOMES**

**ABOUT APPLEBY COLLEGE**

Appleby College is an independent, private co-educational school with a student population that includes both day and boarding students attending grades 7 through 12. Located in Oakville, Ontario, Appleby is a university-preparatory school, with a curriculum based around studies in the Liberal Arts. Accredited by the Canadian Educational Standards Institute, Appleby is recognized as one of Canada's leading independent schools. On October 13, 2006, Maclean's Magazine named Appleby one of Canada's Top 100 Employers, making it the first high school to receive this distinction.

**THE ADVANCED SOLUTION**

Advanced is responsible for providing virtually all of the collaboration and audiovisual display solutions within Appleby College. The majority of the classrooms have been outfitted with SMART Board interactive whiteboards, ceiling projectors, motorized screens, audio systems and Crestron control systems, all of which combine to provide Appleby instructors with state-of-the-art technology options to assist with creation of customized, unique lesson plans tailored to individual learning styles and abilities.
